

Internet Safety and Usage Contract Example

Never Share Personal Information for example:

- Name
- Birthday/Age
- Address
- Phone number
- Email address
- School
- City/state you live in

Never Talk to people online that you do not know from school, family, or neighborhood

Never click on unknown links or download random files

Never post or send mean messages

Never send pictures or videos to people you don't know

Never keep secrets about something that makes you uncomfortable

Never share your passwords (except with parents/guardians)

I will not open a new account or change passwords without my parents/guardians knowledge

I will only message the below people that my parent/guardian has approved:

People I can message online (Real name)	Online username

Child Signature

Parent/Guardian Signature
